

Ontario Rehabilitation Work & Community

"Anxiety"

Presented by: Terry Kirkpatrick, BA, RLC, MEd

September 14, 2009

This workshop focuses on the phenomenon of Anxiety (for individuals with Neurological Disorders and Autism Spectrum Disorders) and how it shapes difficult behaviour in both the workplace and in social situations - particularly transitions.

This workshop is aimed at front line staff, educational assistants, parents, caregivers, mental health workers, and individuals with Autism Spectrum Disorders (ASDs).

Fee: \$55.00 for ORWC Members or \$65.00 for Non-Members

Complete attached registration form.
